*1 John 4:7 Let us love one another, for love is from God.
Learning together and worshipping together*

Dear Parents,

It has been lovely to see all the children return this week to school. There has been such a happy atmosphere and everyone has enjoyed coming back together as the Tushingham family. We are aware, however, that many families in our school community have experienced loss and sadness over the last few weeks, months and indeed the last year. As a school we felt it would be right to create a simple project during the last few weeks of Lent, leading up to Easter, that gave an opportunity for the school community to support one another and for us to demonstrate our vision statement 'Let us love one another, for love is from God.' 1John 4:7.

Therefore, over the next week, the children and school staff will each colour a heart, in class, which we will then display in the windows at the front of the school and in the hall. Although no specific names will be written on the hearts, we will encourage the children to reflect on family members they miss and other members of our school community that they know have experienced sadness as they create their hearts. We hope therefore that the resulting display will enable us to both reflect as a school community and demonstrate the support and love we want to show for one another.

We really hope you and your children will enjoy the 'Heart project' and that the display will offer comfort, support and love, to our whole community.

Kind Regards
Mrs V Latham
RE and Collective Worship Lead
